## Marbling

Marbling means juicy steak. Look for cuts with visible marbling throughout.

## Heritage

All-American grain-fed beef is best; a high-quality lineage with flavor & texture.

## Butcher Cut

Expert butchers remove excess fat so each steak cooks more evenly.

## Aging Process

Our signature aging process brings out the tenderness and full flavor of the beef.

## The Perfect Grilling Method

The final secret to steak success is to prepare them perfectly. Every steak comes with a Cooking Chart – use it and the Omaha Steaks method and prepare for the best steak of your life!
